

2026-2027 Training Schedule & Registration Form

- Registrants will receive a confirmation e-mail at the address listed below after registration has been processed. Please complete this form in full and write legibly for quicker processing.
- Students will receive course manuals/texts during registration on the first day of class. Class will begin promptly at 8:15 am on Day 1.
- Deadline for registration of these education courses will be **14 days prior to start date of course**. If registering within 14 days of course, you will need to contact Collin CAD to confirm availability.
NOTE: Outside registrants will be enrolled as space permits after Collin CAD employees register.
- All cancellations must be received in writing at least one week prior to the start of the class, otherwise a \$75 cancellation fee will be incurred.
- Be sure to bring the following to class; silent dedicated calculator with a 12-digit display, paper for notes, writing utensils & light jacket or sweater as temperature may vary.
- For more information, please contact Erin Van Gundy at (469) 742-9200 or via email edu@cadcollin.org.
